Chiropractic Directory

The California Department of Consumer Affairs (DCA) maintains an electronic directory of chiropractors. Since the roster of chiropractors with active licenses' changes from month to month, the electronic database is the best way to maintain an accurate up-to-date directory.

Directories are available for purchase through the public sales office of the DCA Office of Information Services. Lists of chiropractors may be purchased in a variety of formats, including computer disks, computer tapes, printed lists, or sticky-backed mailing labels.

For more information, please call the DCA Information Services public sales line at 916-323-7018.
